MICHAEL JACKSON

Heal the WORLD

"Think about the generations and they say: We want to make it a better place for our children and our children's children. So that they know it's a better world for them; and think if they can make it a better place."

[Put in order from 1 to 7] 1   2   3   4   5   6   7

(   )And this place could be

(   )You'll find there's no need to cry

(   )There's a place in your heart

(   )Much brighter than tomorrow

(   )In this place you'll feel there's no hurt or sorrow

(   )And I know that it is love

(   )And if you really try

There are ways to get there
If you care enough for the living
Make a little space
Make a better place ...

Chorus:
Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make it a better place
For you and for me

[Choose the correct word]]

If you want to **know / no** why
There's love that cannot **die / lie**
Love is strong
It only cares of joyful **living / giving**
If we try we shall see

In this bliss we cannot **feel / few**
Fear or dread
We **stop / start** existing and **stop / start** living

Then it feels that always
Love's enough for us growing
So make a better world
Make a better world ...

Chorus

[Choose the correct word]]

And the dream we were conceived in
Will reveal a joyful **grace / face / space**
And the world we once believed in
Will shine again in **grace / face / space**
Then why do we keep strangling life
Wound this earth, crucify its **soul / glow / show**
Though it's plain to see
This world is heavenly
Be god's **soul / glow / show**

[complete with:
spirit / fear / together / high / brothers / swords]

We could fly so _____

Let our _____ never die

In my heart I feel you are all my _____

Create a world with no _____

_____ we'll cry happy tears

See the nations turn their _____ into plowshares

We could really get there
If you cared enough for the living
Make a little space
To make a better place

Chorus X2

You and for me ...
(make a better place)
You and for me...
(heal the world we live in)
You and for me...
(save it for our children)
