MAKING SUGGESTIONS A1

Noelia and Yuna have a very good meeting. Listen to the language they use for making suggestions and practise saying the useful phrases.

Yuna: OK, this time let's focus. Phones off.
Noelia: Yes, and in my bag!
Yuna: Ready?
Noelia: I'm ready.
Yuna: We have half an hour.
Noelia: OK, let's go!
Yuna: How about starting with social media?
Noelia: Sure. Engagement is up 15 per cent this month.
Yuna: Good. So let's go for 20 per cent for next month.
Noelia: Yeah, sure. I'll tell the team. We'll need some extra help to make it work.
Yuna: Agreed. Good idea.

...

Yuna: Why don't you ask Vanya to help you create a new social media plan?
Noelia: OK, no problem. Shall we present it at the next team meeting together?
Yuna: Good plan. Can you let Paul see it first?
Noelia: Sure, I'll do that.
Yuna: Anything else?
Noelia: No, that's it.
Yuna: And that's half an hour! We did it!
Noelia: We're really good at this!

Ana: Hello again! Wow, that was a good meeting! So, did you notice the useful phrases used for making suggestions? Listen to me and then repeat.
