

# LET'S MAKE COOKIES 2

Do you want to make cookies too? I've got the recipe, but the steps are all mixed up. Watch the video again and put the steps in order.

- 1- Lastly, add chocolate chips (white chocolate, milk chocolate and dark chocolate).
- 2- Continue with some flour and baking soda.
- 3- Wait until they cool down, and they are ready to eat! Enjoy them!
- 4- Then, add eggs and some vanilla.
- 5- When all the ingredients are mixed, scoop the cookies and put them on a tray in the oven for 8 minutes. Then, turn the tray around and wait for another 8 minutes.
- 6- First, add butter and brown sugar to the mixer.
