

Perimeter & Area Task Sheet

Grade 5

The figure above represents the scale drawing of Tim's house.

Use the above figure to answer the following questions.

- 1) What is the area of the living room?
- 2) He wants his children to take the bedroom with lower perimeter. Which bedroom will be given to the children?
- 3) Mr. Jones wants to convert half of his garden into a pool. What will be the area of the pool? Which of the balcony is greater in area and by how much?
- 4) What is the perimeter of the entrance?
- 5) What is the perimeter of the kitchen?
