

**Are these sentences correct? Write C or I. You have your own space to correct the wrong ones**

Despite he is friendly, he's also a loner.

What you just did is very unlike you.

That's an interesting job, though hard.

My husband loves theatre plays. On contrast, I prefer musicals.

I don't have hard feelings for George. In the contrary, I really like him.

However hard it is, I know I can cope with this situation on my own.
