

Completa con los números que faltan.

							8		
11									
					26				
			34					39	

Calcula

+	13	15	7
4			
5			
10			

-	16	20	12
6			
10			
8			

Escribe en la etiqueta la suma total. Usa la estrategia de los amigos del 10 o los dobles.

Calcula $20 - 2 - 2 - 2 - 2 - 2 - 2 - 2 - 2 - 2 - 2 - 2$

$$7 + 6 = \underline{\quad}$$

Diagram showing 7 and 6 being added, with a triangle above two boxes for the result.

$$9 + 8 = \underline{\quad}$$

Diagram showing 9 and 8 being added, with a triangle above two boxes for the result.
