

Unit 5: Exercise 3

Read the email from Jenny to her friend, Karen. Then complete the exercise on the next screen.

Hi Karen,

I hope you are enjoying your summer holiday in France with your family. I'm having a great time on the school exchange in Turkey. I am staying with a nice girl called Alev. She is very friendly and funny, and her parents are very kind. They cook for me every day. I didn't know very much about Turkish food before I came here, but everything is delicious. In the morning we have a big breakfast with bread, eggs, cheese and jam. It is quite similar to breakfast in the UK. For lunch, we usually have a lot of small dishes. My favourite Turkish foods are *borek*, a dish with cheese and potatoes, and *dolma*, a vegetable and rice dish. I also tried an interesting drink made from yoghurt called *ayran*. I didn't like it very much, but Alev's mother says that it is a very healthy drink, so I drank it all. For dinner last night, we went to a traditional Turkish restaurant and had a *kebab*, which is the most famous dish in Turkey. It was delicious. After dinner we had coffee. The waiter also gave us *baklava*, which are small sweet cakes made of honey. I am going to bring some home so that you can try them. I know that you love sweet things!

See you soon at school.

Best wishes,

Jenny
