

# Word Play

1

Unscramble the word to complete each sentence. The letter in the center is the first letter of the word.

\_\_\_\_\_

When something is \_\_\_\_\_, it is processed and then used to make something else.

\_\_\_\_\_

\_\_\_\_\_ is using natural resources wisely and not wasting them.

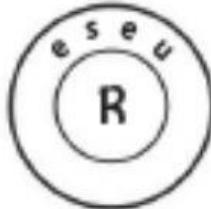

\_\_\_\_\_

When you \_\_\_\_\_ waste, you decrease the amount you make.

\_\_\_\_\_

\_\_\_\_\_ farming is the planting of crops along the natural curves and slopes of land.

\_\_\_\_\_

To \_\_\_\_\_ an item means using it again rather than throwing it away.
