"Somebody That I Used To Know"
(feat. Kimbra)

[Gotye:]
Now and then I think of when we --------- together
Like when you said you -------- so happy you could die
Told myself that you were ---------- for me
But felt so ---------- in your company
But that was love and it's an ---------- I still remember

You can get ----------to a certain kind of sadness
Like ---------- to the end, always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad that it was over

But you didn't have to cut me off
Make---------- like it never happened and that we were nothing
And I don't even need your love
But you ---------- me like a stranger and that feels so ----------
No you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know

Now you're just somebody that I used to know
Now you're just somebody that I used to know

[Kimbra:]
Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done
But I don't wanna ---------- that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you ---------- up on somebody that you used to know

[Gotye:]
But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you ---------- me like a stranger and that feels so rough
No you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that ----------
Now you're just somebody that I used to know

Somebody
(I used to know)
Somebody
(Now you're just somebody that I used to know)

Somebody
(I used to know)
Somebody
(Now you're just somebody that I used to know)

(I used to know)
(That I used to know)
(I used to know)
Somebody
