Year 2 Science
(Week 3)
Scientific Enquiry Skills – Classifying Objects

Name: _____ **Class: Year 2 A B C D** **Date:** _____

When we classify objects or living things, we put them into groups using what is similar about them.

Observe the following objects and sort them into the correct groups.

plastic	glass	wood

We can classify the items differently using what they are made from and what they are used for.

	plastic	glass	wood
measuring instruments			
container for food or drink
