Time

A. Vocabulary

- The **hour hand** is between 2 and 3, so we choose 2.

- The **minute hand**: count by 5s from 12, so we have 45

The **clock** shows two forty-five.

The clock shows four thirty, or **half past** four.

B. Practice

1. *Match.*

One fifteen

Half past five

Nine twenty

*Draw the **clock** to show the **time**.*

2. Seven twenty-five

3. Ten fifty
