PREPARE FOR A JOB INTERVIEW

1. Tell me about yourself

Arti: [Ceritakan dirimu](#).

Ini adalah pertanyaan *interview* bahasa Inggris yang paling sering ditanyakan. Pastikan kamu tidak memberikan informasi yang terlalu detail dan terlalu singkat tentang dirimu ketika menjawab pertanyaan ini,

Contoh jawaban:

My name is Fatia Sahrah. I am twenty five years old.

I've been working as a software engineer in two tech companies in Jakarta. There, I learned a lot about software.

After office hours, I used to join some software engineer classes to upgrade my skill. I've been loving things related to technology since I was in high school.

2. Tell me about your work experience

Arti: Ceritakan tentang pengalaman kerjamu.

Contoh jawaban:

I have 4 years of experience in advertising. Previously, I joined an agency and have handled more than 50 clients.

As an advertising specialist, I made advertising concepts with the clients and helped them to reach their goals.

My biggest client was a big FMCG company in Indonesia. At that time, I finished a big project with the least budget.

3. Tell me about your education

Arti: Ceritakan tentang pendidikanmu.

Contoh jawaban:

I graduated from the Faculty of Business and Economics University of Indonesia, majoring in Management. There, I learned a lot about marketing, finance, human resources, and operations management. I also joined some clubs to improve my soft skills and competitions.

4. Why do you want this job?

Arti: Mengapa kamu menginginkan pekerjaan ini?

Contoh jawaban:

Graphic design is in my blood. I have loved to visualize things around me since elementary school. Then, I joined some courses to improve my design skill. Until now, I have worked with some companies to help them with my design. They all are satisfied with my design. Now, I hope I can also help your company to visualize your needs. This company has the same vision as me: education. I want to visualize our vision together.
