

# BRIDGE OVER TROUBLED WATER

Listen to the song and choose the correct word.

When you're **weary/tired**, feeling **small/tall**

When tears are in your **cheeks/eyes**, I'll dry them **all/off**

I'm on **your/the** side, oh, when times get **rough/tough**

And **friends/pals** just can't be found

Like a bridge over troubled water - I will lay me down 2X

When you're down and **out/up**

When you're on the **street/beat**

When evening falls so **long/hard**

I will **counsel/comfort** you

I'll take **your/the** part - oh, when **darkness/night** comes

And **pain/hurt** is all around

Like a bridge over troubled water - I will lay me down 2x

Sail on **silver/golden** girl. Sail on **along/by**

Your time has come to **shine/glow**

All your **hopes/dreams** are on their way

See how they **shine/burn**

Oh, if you **need/want** a friend

I'm sailing right **behind/before**

Like a bridge over troubled water - I will ease your mind 2x
