TRACK 47

Hello, everyone. I'm Jennifer and I work for campus security. Welcome to this very short talk about emergency _____ . To start with, you need to know that emergency numbers aren't the same in every country. As we're in _____ at the moment, it's important to know that the emergency number is _____. So you'll need to remember this. Those of you who've been to _____, will know that the emergency number is _____. one number different. But in _____, the emergency number is completely different. It's _____.

In _____, the emergency number is _____ the rest of Europe. That's _____. And in case anyone's thinking of going on holiday to _____ this summer, it's useful to know that the emergency number there is _____.
