Dear Jonh,

Hi! How are you?

I have been really busy lately because I **am entering** a Young Investor's Competition next month.It is at the National Exhibition Centre on the 17th August.It **starts** at 10 am and finishes at 6 pm.I **am going to** give a presentation of my invention to hundreds of people.

Untill then I **will be working** night and day to improve it.I won't tell you now what it is but I think everyone **will be** surprised.By the day of the competition I think I **will have had** enough time to make it perfect.Do you know I **will have been working** on it for almost a year by then?

Well,that's all for now.I hope you can come and see me and my invetion.

Write back soon.

Owen
