

SCIENCE AND TECHNOLOGY FOR MATURA

4 EXTENDED Complete each gap by transforming the word in brackets.

IT'LL NEVER WORK

Every year hundreds of (1) *optimistic* (OPTIMISM) would-be inventors have their ideas rejected. Usually the (2) _____ (INVENT) are considered to be unsellable or completely (3) _____ (USE). The BBC have taken this idea and developed it into a new TV series called *It'll Never Work!* The programme asks the general public to send in their (4) _____ (INNOVATE). However, it's obligatory that the (5) _____ (CREATE) are ingenious and imaginative, but of no use. In the past they have had some really (6) _____ (USUAL) ideas, such as a solar-powered torch and even an inflatable dartboard.

So if you have an idea which so far has received little or no (7) _____ (APPRECIATE), send in a diagram to us. If the judges, none of whom are (8) _____ (SCIENCE), select you as a (9) _____ (WIN), you will be presented with the *It'll Never Work!* design award and given a (10) _____ (WONDER) high-spec tablet.
