- b zoomed in

3

Gaia ? the date in her diary.

- a looked up
- b scrolled down

4

Matt ? the stories.

- a logged on
- b printed out

Read and select.

To do my English homework I have to **log on/ print out** to the computer. Sometimes I need to **click on / scroll down** an exercise to do it, other times I need to **look up/ scroll down** the page and others I just write the solution. Before starting I prefer to **log on/ look up** for the contents. I can **click on / print out** the sheet to make it on paper.

Now answer the questions.

- Can I print out the sheet? _____
- What do I do before I start? _____
- What do I log on to my computer for? _____
- Do I always write the solutions? _____

Order the letters to make a word. And listen again.

You can use the internet to ... information.

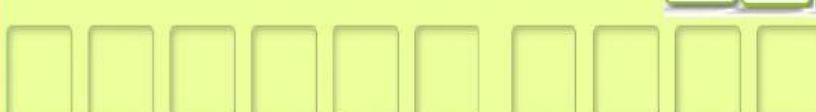

You have to ... to use the computer.

You can ... to make the picture bigger.

You can ... the page to see more pictures.
