Many people believe that the high levels of violence in films today are causing serious social problems.

What are these problems and how could they be reduced?

You should use your own ideas, knowledge and experience and support your arguments with examples and relevant evidence.

Write at least 250 words.

Work with a partner and think of the "problems," you **do not** need to worry about solutions just yet.

Problems	Ways to reduce the problems

Once you have some main ideas, you need to choose the main one.

Now, it is time to start writing. Looking at the words that you underlined in the topic, you now need to work on trying to paraphrase them. Do so in the table below with a partner.
