

**Many people believe that the high levels of violence in films today are causing serious social problems.**

**What are these problems and how could they be reduced?**

You should use your own ideas, knowledge and experience and support your arguments with examples and relevant evidence.

Write at least 250 words.

## Writing task 2

### Problem and solution essays (cont.)

Finally, it is time to write. Use some of the sample structures together with the paraphrased vocabulary as well as your main example to write an introduction with a partner.
