#### 第四部分：工作的苦与乐

他觉得工作最困难的是应付不讲理的顾客。

有些顾客很挑剔，很难满足他们。

长时间的站立也让他觉得很累。

令他最有满足感的是顾客称赞他的食物美味可口。

He feels that facing unreasonable customers is the toughest part of his job. Some customers are very picky, it is hard to satisfy them.

Long hours of being on his feet also makes him feel very tired.

When his customers praise his food, he feels the greatest sense of satisfaction.

#### 第五部分：对这份职业的看法

我觉得哥哥的工作不容易，时间很长，而且厨房非常热，据说这会对身体不好。

但是哥哥对烹饪充满热情，他也喜欢研究新的菜。

我从他身上学到了要努力工作，不怕辛苦。

我也学到了热爱自己的工作。

I feel that my brother's job is not easy, the hours are long, and the kitchen is very warm, I heard that it is not good for health.

However, my brother is passionate about cooking, and he likes to come up with new dishes.

I learnt that we have to work hard and not be afraid of hardships.

I also learnt that we ought to love our jobs.
