Let's Save Water  
Water is precious.  
We must save water.  
We must not waste water.

#### Ways to save water:

- ➔ Turn off the tap while brushing your teeth.
- ➔ Use the shower to take a bath.
- ➔ Wash vegetables and fruits in a basin of water.
- ➔ Wash the dishes in a basin of water.
- ➔ Use rainwater to wash the car.
- ➔ Use rainwater to water the plants.

GLOSSARY	
shower	淋浴
rainwater	雨水

Peter, don't waste water.  
Fill the pail with water first.  
Then, use the water to wash  
the car.

It's okay.

Okay, Mum. I'm sorry.

Std 3 English

Complete the sentences.

## A The Caterpillar

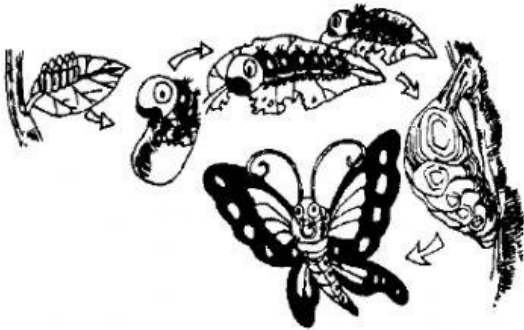

hard

butterfly

leaves

pupa

egg

This is a caterpillar. It came out from a butterfly's                      <sup>1</sup>. It looks like a worm.

The caterpillar gets very hungry. It eats a lot of                      <sup>2</sup> and becomes very fat. The

caterpillar's skin becomes                      <sup>3</sup>. After that, it turns into a                      <sup>4</sup>.

It sleeps for a long time. Then, the pupa breaks and a                      <sup>5</sup> comes out.

## B The Tadpoles

breathe

eggs

legs

frogs

tadpoles

There are tadpoles in the pond. They came out from the frog's                      <sup>1</sup>.

The frog's eggs look like jelly balls. The                      <sup>2</sup> look like little fish. They

swim inside the pond. The tadpoles can                      <sup>3</sup> in the water. They have

little tails. After some time, their                      <sup>4</sup> grow. Slowly, they become little

                     <sup>5</sup>. They cannot live inside the pond anymore. Now they have to live on land.
