CHEESE ROLLING

Have you ever heard about Cheese Rolling Festival? This is a one-of-a-kind event that is held annually at Cooper's Hill in Brockworth, Gloucester. **8.1.**

It's an unusual and extreme sport. **8.2.** The contestants run after cheese down a steep hill. The cheese, which is used during that festival, is a 9-pound round of Double Gloucester cheese. Since 2013, real cheese hasn't been used. **8.3.** Why? For safety reasons.

Not all the rules are totally clear, but the general aim of the race is to catch the 'cheese' or at least to be the first to cross the finish line at the bottom of the hill. The winner gets a real nine-pound cheese as the prize.

A lot of people get injured during the race. **8.4.** There are more and more people coming to Gloucester each year.
