Traveller's Blog

Puerto Viejo

We are relaxing here on the Caribbean. Puerto Viejo is a port and surf town so we love it! We go to the beach every morning by bike (they are cheap to rent). Yesterday, we went to the Cahuita National Park – the monkeys are amazing and I took some great photos!

Leaving Costa Rica

I am in San José, the capital, and I am leaving tomorrow. The best things in my three weeks here? White-water rafting on the Pacuare River and visiting Tortuguero National Park by boat – I saw the sea turtles. They are really cool.

III. Read the three students' opinion about one city in their country. Then answer the questions

Fabrizio from Venice: Of course, there's lots to see in Venice. It's one of the most famous cities in the world. First of all, there are the canals. We don't have cars in Venice so you have to travel everywhere by canal. The most famous place in Venice is the square. St. Mark's Square with St. Mark's Cathedral. And there are lots of museums and palaces, and beautiful bridges, too.

Yumi from Kyoto: For me, Kyoto is the most beautiful city in Japan. It's also the oldest city. It has many old traditional buildings, and beautiful palaces, temples and gardens. The most famous temple is the Golden Pavilion. There are also very good markets, and also really good shops, and some beautiful modern buildings, too.

Murat from Istanbul: I think Istanbul is maybe the most beautiful city in the world, but of course I come from Istanbul! The city is built on hills around the Bosphoros, and so there are beautiful views across the water. From the water, you can see mosques – the most famous is called the Blue Mosque – and palaces and bridges. Istanbul also has a very famous market called the Grand Bazaar. But these days we also have many modern shopping centres and modern buildings and hotels. It's really a fantastic city.
