Lily Allen: "Smile"

When you first ..... me I was ..... more
But you were fucking that girl next .....,
what cha do that for (what cha do that for)
When you first ..... me I didn't ..... what to say
I never ..... on my own that way,
just ..... by myself all day

CHORUS:
I was so ..... back then
But with a little ..... from my .....
I ..... a light in the ..... at the end
Now you're ..... me up on the .....
So you can ..... a little whine and a .....
And it's ..... because you're feeling .....

At ..... when I see you .....,
yeah it ..... me smile,
yeah it ..... me smile
At worst I feel ..... for a while,
but then I just smile I go ahead and .....

Whenever you see me
you say that you ..... me back
And I ..... you it don't ..... jack,
no it don't ..... jack
I couldn't stop .....,
no I just couldn't help .....
See you ..... up my mental health
I was quite .....
