2. Listen to the podcast. Choose the things that Tom, Sam, and Lucas discuss.

The Tate Modern art gallery in London
how the Tate Modern chooses its exhibits
an unusual work of art
Lucas's favorite museum in Brazil
how popular modern art is in Brazil

3. Listen to a conversation between Sophia and her friend Joe. Are the following statements true or false?

- Sophia reminds Joe that Elon Musk recently sent a sports car in space.

- At first, Joe says that sending a car into space was a good thing to do.
- Sophia says that the car in space was Elon Musk's biggest achievement.
- Sophia says that Elon Musk's company will help the human race.
- Joe suggests that exploring space is bad for the environment.
- Sophia believes that people will not always be able to live on Earth.
- Sophia says that environmental scientists don't have a good opinion of Elon Musk.
- In the end, Joe still doesn't agree with Sophia that Elon Musk is cool.
