MY CITY: MARBELLA

Hello everybody! I'm Susane and I live in Marbella. My city is very big and beautiful. Marbella has got a lot of places. There are four parks with green areas and cafés. There are two hospitals and two police stations, but there isn't any train station.

People in Marbella like going to the cinema. In the cinema there are films and you can buy popcorn. Next to the cinema there's a restaurant and people have dinner there.

In Marbella there's a museum and a very big shopping centre called La Cañada. In La Cañada there are clothes shops and shoe shops, but there aren't any schools in the shopping centre.
