Safety instructions

4 Match instructions 1–4 with pictures a–d.

What to do when
LIGHTNING
strikes

1 Count the time between the lightning and thunder, and wait for the storm to pass.
2 Move quickly away from any trees.
3 Lightning travels easily through cables, so don't use any electrical equipment.
4 If you're in an open place, get down immediately and cover your head.

5 49 Listen and put the instructions from exercise 4 in the order you hear them.
