

Qualities of an Effective Leader

Name: _____

1) Fill in the KWL chart. (only the what I know part and the what I want to know more about)

| What I Know | What I want to know more about | What I learned..... |
|-------------|--------------------------------|---------------------|
| | | |

2) Pairs (only): Research the assigned leadership style. Create a visual which should include a title, colorful graphics, and text. Provide the following:

- a description of what the leader would do
- what the followers will do
- the end product of the relationship, that is, how the organization functions as a result of the leader-follower relationship.
- a picture or symbol that represents the leadership style that they have researched along with a sentence that is representative of that leadership style.

3) Use the following website for your research:

http://changingminds.org/disciplines/leadership/theories/leadership_theories.htm

4) Questions:

What qualities do all the leadership styles have in common?

Which leadership style do you think is most effective for working with people?

Will an effective leader use the same style at all times?

4) Complete the KWL chart (What I learned.....)

| What I Know | What I want to know more about | What I learned..... |
|-------------|--------------------------------|---------------------|
| | | |
