## The Elephant and the Ants

There was once a proud elephant who always bullied smaller animals. He would go to the anthill near his home and spray water at the ants. The ants, with their size, could do nothing but cry. The elephant just laughed and threatened the ants that he would crush them to death.

One day, the ants had enough and decided to teach the elephant a lesson. They went straight into the elephant's trunk and started biting him. The elephant could only howl in pain. He realized his mistake and apologized to the ants and all the animals he bullied.
