'How To Keep The Environment Clean'

Good morning to the principal, teachers and friends. In conjunction with World Earth Day, I have been given this opportunity to talk about how to keep our environment clean.

Firstly, I would like to _____ the common problem that we face in our school. Littering. Although the school _____ has provided enough rubbish bins, still some of us do not know how to use them _____. The habit of littering is not only _____ but also will give a _____ name to our school. Please do not litter.

reduce	haze	walk	result	cause

Currently, if you notice, we are experiencing the _____ problem. It is the _____ of open burning activities. Thus, we should not do open burning as it will worsen the situation.

Next, exhaust fumes from vehicles _____ air pollution. We can help to _____ the level of pollution, by using public transport and car-pooling. For short distance trips, we can cycle or _____ .

dump	responsibility	produce	reducing	preserve

Did you know that we have to cut many trees to _____ papers? We can help to _____ our forests by recycling old newspapers. Bottles and aluminium cans are also recyclable items. We can also help to keep our environment clean by _____ rubbish and reusing plastic materials.

In addition, it is our _____ to keep our rivers clean. We must not _____ any rubbish into the river as this will make the rivers dirty and polluted.

community	organising	conserve	greener

Besides, we are encouraged to _____ our environment by planting more trees. It will help to increase oxygen for us to breathe in and make the surroundings _____.

Lastly, it is important that our school play its role to educate us, young people, to take care of our environment. It can be done by _____ campaigns to raise awareness among the school _____.

Let's save our Mother Earth. Thank you.
