1 Q When did pirates exist?

2 Q Who were the most famous British and Irish pirates?

3 Q Why did pirates wear eye patches?

4 Q What did pirates eat?

5 Q Why did pirates wear earrings?

6 Q Why do pirates have parrots as pets?

7 Q Do pirates still exist?

- Pirates wore earrings because it was fashionable.
- Pirates ate fish because they lived on the sea.
- Pirates had eye patches because they had a missing eye. / Maybe they lost their eyes in battles at sea.
- They had parrots to tell them when other pirates arrived.
- Pirates existed at the time of the triangular trade (at the end of the 17th century).
- The most famous pirates were Blackbeard and Jack Sparrow.
- Yes they do, there are pirates in the Carribean
