

Brothers in Arms

by Dire Straits

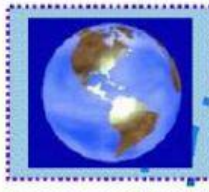

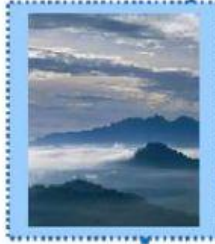

These mist covered
Are a home now for me
But my home is the
And always will be
Some day you'llto
Your valleys and your farms
And you'll no longer
To be brothers in arms

Through these fields of
Baptisms of fire
I've witnessed your
As the battles raged higher
And though they did
me so bad
In the fear and alarm
You did notme
My brothers in arms

There's so many different worlds
So many different
And we have just one world
But we live in different

Now the sun's gone to hell
And the moon's riding
Let me bid you farewell
Every man has to
But it's written in the starlight
And every line on your
We're fools to make war
On our brothers in arms

Listening exercise
