

Are you allowed to ... ?

Do your parents let you ...?

Are you allowed to dye your hair?

Do your parents let you stay up late?

Do your parents let you invite friends every day?

Do your parents let you get a tattoo?

Are you allowed to make a mess in your room?

Are you allowed to surf the internet as long as you want to?

No, I must tidy it every Friday.

Yes, when I ask them before I start surfing.

Yes, always on Saturdays.

No, I am not.

Yes, but before they come I must tell my mum.

No, because they say I am too young for a tattoo.
