### INSTRUCTIONS:

There is no time limit. Take your time.

This is not a test to evaluate your knowledge

This is just for us to understand how you are feeling in our Subject this year.

Teacher is here to help

1. Have you enjoyed using the FINANCE vocabulary?
2. Do you like the activities in the finance project? Why?
3. How has your vocabulary grown over the past few months?
4. Is the class environment fun and exciting?
5. Do you believe there is anything else we can do to improve your learning experience?
