

Let's talk about community service. Look at the picture. This picture shows students doing a service project. They are planting trees at a park in their neighborhood.

Nina, what are two things you see in this picture?

Now it's your turn. Look at the picture again. In a moment, I will ask you what other things you see in this picture. Think about it.

Record

September

These pictures show students doing different activities to help their community. The students are members of the Service Club at their school. Once a month, they volunteer by doing different projects.

Each month the Service Club picks two service projects that help the community. Students in the club can choose one of the projects.

October

In September, students in the Service Club can help people in the community by doing yard work. Students can also choose to volunteer at a community center and play sports and games with younger students.

October

The next month, in October, students can choose between planting trees in the park, or picking up trash around the neighborhood.

October

Nina, look at pictures 1 and 2. Tell me which service activity you would choose and why you would pick that.

October

Now it's your turn. Look at pictures 3 and 4. These show the Service Club projects for October. In a moment, I will ask you which service activity you would choose and why you would pick that. Think about it.
