TEACHER

Tom and Sally work in a bank. They are coworkers. They start work every day at 8:00 am. They finish work at 6:00 pm. They live very close to the bank. Marina and Chandler also work in the same bank. But they don't live close. At least once a week they arrive late! They like their work because they can go to other places three times a week and they rest twice a week.

READ THE TEXT. THEN, ANSWER THE QUESTIONS. USE LONG ANSWERS

1. Choose the tense used in the text

Simple present/ future

2. Where do Tom and Sally work at?

3. At what time do they start work?

4. Who lives far from the bank?

5. Why do they like their work?
