

Actividad 7.-CIENCIAS NATURALES (Las estaciones)

Identifique las actividades con las vestimentas que utilizamos en cada una de las estaciones del año y arrástrelas al lugar que corresponde.

The worksheet is divided into four columns, each representing a season:

- Verano (Summer):** Yellow background. Illustration shows a beach scene with a child playing in the sand. Below the illustration are two empty boxes for pasting.
- Otoño (Autumn):** Orange background. Illustration shows a child playing in a park with falling leaves. Below the illustration are two empty boxes for pasting.
- Primavera (Spring):** Green background. Illustration shows a child flying a kite in a field with a rainbow. Below the illustration are two empty boxes for pasting.
- Invierno (Winter):** Blue background. Illustration shows a child playing in the snow. Below the illustration are two empty boxes for pasting.

To the right of the columns are ten small illustrations of children in various seasonal outfits and activities, which are to be dragged to the appropriate seasonal box:

- Child wearing a red winter hat and coat.
- Child wearing a green winter hat and coat.
- Child wearing a blue winter hat and coat.
- Child wearing a green winter hat and coat.
- Child wearing a blue winter hat and coat.
- Child wearing a green winter hat and coat.
- Child wearing a blue winter hat and coat.
- Child wearing a green winter hat and coat.
- Child wearing a blue winter hat and coat.
- Child wearing a green winter hat and coat.
