Read the text below and fill in the blank spaces by typing the correct answer.

Anyeong! Hello! My name is Jung Kim Han. I am going to talk about my family. I have a small one. They are Appa, Umma, me and Dong-saeng. My father works as a policeman and he is forty years old. He is an energetic man I must say. His name is Jung Ji Woo. He will always be my hero. I want to be like him when I grow up.

My mother is only a housewife and she just turned thirty-five last week. I love her so much. She always wakes up early to prepare for family breakfast. She never complains and always puts a big smile on her face. Jung Yong Mun is her name.

I only have one sibling, a younger sister. Her name is Jung Rae Neul. She is nine years old. She loves to sing and never leaves her teddy aside. Actually she is adopted ever since she was a baby. We go to the same school. She is in Third Grade while I'm in Sixth Grade.

My grandparents live together with us. Harabeoji, my grandfather, his name is Jung Han Lee. He is a policeman retiree. He was born on June 12th, 1950. My grandmother or Halmeoni is two years younger than my grandfather. Her name is Jung Hyun Soo. She likes reading newspaper and gardening.

So here we are living in the same house but we all live in harmony.
