

Choose the correct words to complete the text.

The <sup>0</sup> **transport** / **moving** in the city where I live is very good.

It's best to go <sup>1</sup> **by** / **on** bus to most places in the city.

There's a big bus <sup>2</sup> **station** / **garage** in the city centre. You can get buses to many places from there.

I study at the university so I take a bus there every weekday.

Some of my classmates <sup>3</sup> **drive** / **ride** a bike there, but I don't have a bike.

Anyway, there's a bus <sup>4</sup> **stop** / **pause** just outside the university

so I can <sup>5</sup> **exit** / **get** off the bus there and walk to my first lesson – it's very easy.

I have a car too, but there aren't any car <sup>6</sup> **parks** / **garages** near the university that students can use so the bus is much easier.

The city isn't big enough to have an <sup>7</sup> **overground** / **underground**, but maybe one day we can have one here, like the Metro in Paris – I love going on that.

Complete the sentences using the verbs and prepositions in the box. Do not use them more than once. There are four extra words.

by drive have into make on of parks ride take wait with

- 0 Can you drive a car?
- 1 When did you learn how to \_\_\_\_\_ a bike?
- 2 We sometimes have to \_\_\_\_\_ for a long time for a bus.
- 3 My dad \_\_\_\_\_ our car in front of our house every evening.
- 4 Lots of people in big cities \_\_\_\_\_ the underground to work.
- 5 My mum sometimes travels \_\_\_\_\_ train to see her friends.
- 6 There's a bus stop very near my house so I get \_\_\_\_\_ it there to go to school.
