

MY TIME CAPSULE

My 2020 Quarantine capsule

We are living an especial period of time, a very unique time in history!! Imagine how interesting is to remember in the future all the things you did during this quarantine.

A **time capsule** is like a frozen piece of time. Take things to put inside, you have some ideas below. Write the things you put inside the "time capsule" on the last page. In September we are going to open this "time capsule" together.

You can create one **with your family** or you can create **one just for you!** :)

INSTRUCTIONS

1- **Find** a jar, an empty shoe box or other empty container.

2- **Cut** the title from the first page (My time capsule) or from this page ("My 2020 Quarantine...") and **decorate** your time capsule.

3- **Write** a **list** (next page) with things you want to put inside the time capsule. You have some **ideas** below.
