IS DICTATION

6 Dictation Listen and write the paragraph.

It's a very busy day in the city. There are lots of people walking around. The traffic is heavy because the speed limit is low. The air is not very good because of the traffic and the industrial area. Some people are getting better because they are exercising more. Others are getting worse because they are eating too much fast food. The city is a mix of modern skyscrapers and older residential areas. There are also some parks and open spaces where people can relax. Overall, it's a busy and diverse place.
