FOOLISH

By **Sharon Kovacs**

Not long ---------- I heard a ----------
----------me of how we lost our senses
The days were short, the nights were ----------
---------- was nice, we sabotaged our ----------

We lost control so easily
We fell in love to ----------
Locked the door and ---------- away the key

'Cause we were foolish, such a ---------- we couldn't see
We were foolish, playing heart games just to ----------

All my memories are clouded by
Salty rivers, I don't ----------, I'm ----------
I ---------- behind my entourage
Every day they tell me I am fearless

But when I close the door and I'm ----------
The walls are closing in on me
It takes ---------- to see

That we were foolish, such a shame we couldn't see
We were foolish, playing heart games just to bleed

You are on your ----------, you are naggin' me, for sure
But we can go back to where the foolish people go
Now I'm on my knees, and I'm naggin' you, for sure
I can't go back, oh, can we go back?

'Cause we were foolish, such a shame we couldn't see
We were foolish, playing heart games just to bleed

We were foolish, such a shame we couldn't see
We were foolish, playing heart games just to bleed

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel"
