Song: Angels

Listening Activity

I **sit** **seat** and wait ▶
 Does an angel contemplate my **face** **fate**? ▶
 And do they know
 The places where we go
 When we're **gray** **green** and old
 'Cause I've been told
 That salvation lets their **wings** **winds** **unfold** ▶
 So when I'm lying in my bed
 Thoughts running **through** **though** my head
 And I feel the love is **there** **dead**
 I'm loving angels instead

And through it all she offers me protection
 A lot of love and affection
Whether **weather** I'm right or wrong ▶
 And down the waterfall
Whatever **Wherever** it may take me
 I know that life **won't** **will** break me
 When I come to call she **want** **won't** **forsake** me ▶
 I'm loving angels instead

When I'm feeling **weak** **week** ▶
 And my pain walks down a one **way** **day** street
 I look **abide** **above**
 And I know I'll always be **blessed** **blast** with love
 And as the feeling **gross** **grows**
 She **breathes** **flesh to my bones** ▶
 And when love is **dead** **there**
 I'm loving angels instead

And through **it** **that** all she offers me protection
 A lot of **life** **love** and affection ▶
 Whether I'm right or wrong
 And down the waterfall
 Wherever it **may** **might** take me
 I know that life won't break me
 When I **come** **go** to call she won't forsake me
 I'm loving angels instead

And through it all she offers me protection
 A lot of love and affection
 Whether I'm right or wrong
 And down the waterfall
 Wherever it may take me
 I know that life won't break me
 When I come to call she won't forsake me
 I'm loving angels instead

Read the words in **yellow**
 and **click** to play to check the pronunciation
