TRAVELING

Most people travel in order to visit and discover new places, new cultures and traditions. Many tourists prefer very well-known attractions like Disney World in the U.S.A., The Eiffel Tower in France, and the Egyptian pyramids. However, there are some others that prefer to go to exotic places like the Amazon region in Ecuador or the ancient ruins of Machu Picchu in Peru. The Amazon region of Ecuador is an incredible place that hundreds of tourists choose to visit every year. They love to see the amazing vegetation of its rainforests, its wild animals or the way some communities live. They want to learn from their customs, see their houses, try their food, and go fishing. Indigenous people from the Amazon have a different way of dressing, they grow different types of fruits and vegetables, and use different ways of cooking. For example, they use spices that are typical in the region. Some spices are even brought from the rivers that connect to the famous Amazon River, the largest river in the world. Also, there are some tribes that are still uncontacted.
