Lesson 5: Language Focus

Activity 3 Reading

Read about chocolate. Are these sentences true (T) or false (F)?

Chocolate

Where does chocolate come from?

Chocolate comes from cocoa beans that grow on cocoa trees. Cocoa trees grow in tropical rainforests and in warm weather.

How is chocolate made?

First, cocoa beans are taken from the tree. Then, the cocoa beans are cooked. Next, they are crushed and mixed. Finally, butter, milk and sugar are added to make the chocolate taste sweet.

1) Cocoa beans grow in cold weather. T F

2) Chocolate is made from green beans. T F

3) The cocoa beans are cooked first. T F

4) The beans are crushed and mixed last. T F

5) Butter, milk, and sugar are added last. T F
