SCIENCE

Animal's habitat

1. Match the habitat with its definition.

TERRESTRIAL	LIVE ON WATER AND LAND
AQUATIC	LIVE ON TREES
AMPHIBIANS	PASS THEIR TIME FLYING
ARBOREAL	LIVE ON WATER
AERIAL	LIVE ON LAND

2. Match the animal with its habitat.

Aerial	Arboreal	Terrestrial	Amphibian	Aquatic
---------------	-----------------	--------------------	------------------	----------------

"Let your dreams take flight"
