Listen and fill the blanks with the correct responses from the table below.

I don't agree.		What do you think?
I'm not really sure	I agree	Do you agree?

Jane: I like nurses' uniforms. They don't have to think about what to wear every day. .....

Mary: ..... They are easy to get dirty and they can't show who they really are. Don't you agree?

Jane: ..... Yes, they are easy to be dirty. But, uniforms help to identify who they are. So it's easy for patients to ask for help. .....

Mary: ....., but their uniforms should be washed everyday which costs them a lot of money. What do you think?

Jane: Yes, I agree. I guess there are good things and bad things about wearing nursing uniforms.
