Hi! My name is Min Soo Smith. I am married and have two young daughters. We live in 5 Bentley Drive, Raceview, Ipswich. I am an Australian citizen, but I was born in South Korea in 1993 in the city of Pusan, South Korea's second largest city. In Korea I was a primary school teacher.

I immigrated to Australia in 2001 and gained citizenship in 2004. When I discovered I was expecting, I decided to change my surname. Women don't usually change their surnames in Korea and children take their father's surname, but I wanted my whole family to have the same surname, so in 2006 I changed my surname from Kim to Smith.

I was a stay at home mum for many years, but in 2012 I started a course in library studies. I now work as a librarian at the Ipswich city council library.
