Just the way you are

Oh, her she eyes, her she eyes
make the stars look like they're not shinin'
she her hair, she her hair falls perfectly without her trying
She's so beautiful and I tell her she everyday
Yeah, I know, I know when I compliment her she won't believe me
And it's so, it's so sad to think that her she don't see what I see
But every time she her asks me "Do I look okay?" I say:

When I see your you face
There's not a thing that I my would change
'cause you're you amazing
Just the way you your are
And when you your smile the whole world stops and stares for a while
'cause girl you're you amazing just the way you are

Her she lips, her she lips,
I could kiss them all day if she'd let me
she her laugh, she her laugh she hates but I think it's so sexy

She's her so beautiful, and I tell her everyday
Oh you know, you know, you know I'd never ask you your to change
If perfect's what you're you searching for then just stay the same
So don't even bother asking if you your look okay, you know I'll say
