

PROPERTIES OF WAVES

Part 1. Drag and Drop.

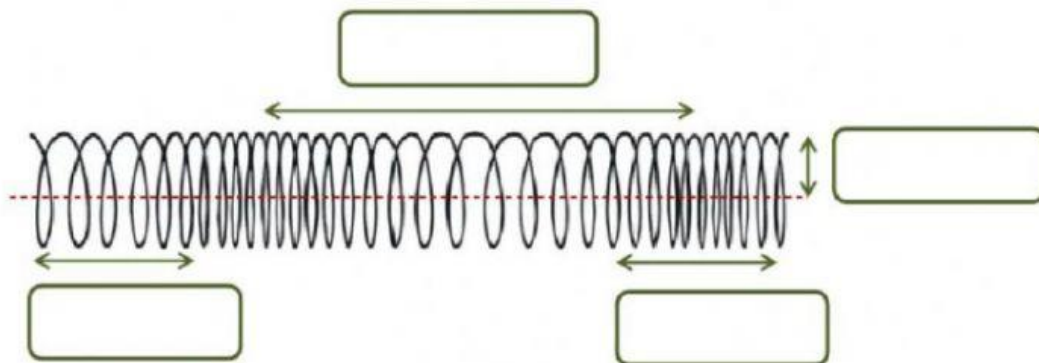

Crest

Amplitude

Trough

Wavelength

Amplitude

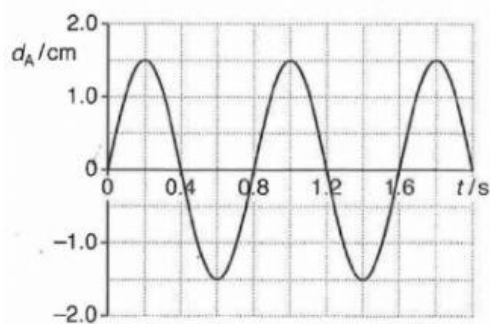

Wavelength

Rarefaction

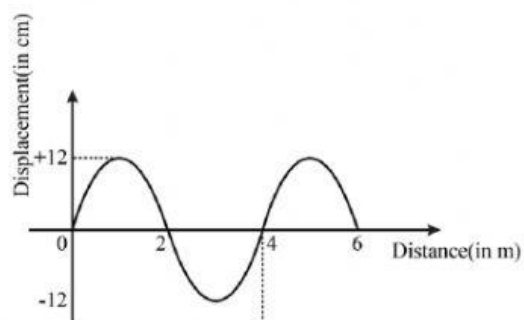

Compression

PROPERTIES OF WAVES

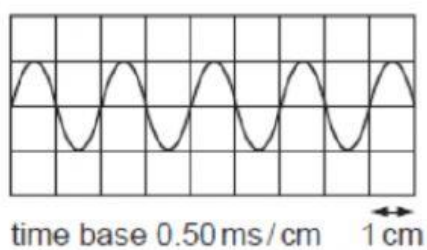

Part 2. Interpret the graph

- (1) State the amplitude of the wave _____.
- (2) Find the period. _____.
- (3) Find the frequency. _____.

- (1) State the amplitude of the wave _____.
- (2) Find the wavelength. _____.

- (1) State the amplitude of the wave _____.
- (2) Find the period. _____.
- (3) Find the frequency _____.
